You'll leave with a rich collection of images and a truly memorable week.

ITALIAN RIVIERA EXTENSION

June 26 – 28, 2010

Three truly beautiful days on the Mediterranean, at charming **Camogli** (a favorite place of Luigi Barbano, our special guest and Italian pro photographer). Swim in the Med, taste the famous seafood and pesto, explore the fishing village and indulge in gelato. Our luxury hotel is right on the water. Ancient San Fruttuoso monastery, reachable only by boat. Bring a towel! Plus... a visit to famous Portofino to mingle with the rich and famous.

Cost from \$300/person

ITALIAN ALPS PHOTOGRAPHY WORKSHOP

June 28-July 3, 2010

Way off the beaten track, Valle d'Aosta is our kind of place. Bordering Switzerland and France, this area is almost a country to itself. We'll photograph Alpine landscapes, models in castles, un-trampled villages, markets and a breathtaking cable car ride over the alps. See the **Matterhorn and Monte Blanc**. We'll stay in the Roman outpost of Aosta and feast on a truly unique blend of Italian-Swiss-French food.

Workshop Cost \$2450 per person (Non-photographer partner \$300 off)

Includes tuition, 5 nights hotel accommodation, breakfast and all transportation. (Airfare not included)

Partners Welcome!

Our trips are designed with non-photographer partners in mind. (They often have more fun than the workshop members)
